

CAHAYA VERMANSYAH OF JAKARTA, INDONESIA PERSECUTED EX-MUSLIM VISITS HELL TO SEE THE FATE OF MUSLIMS

The Year of 2004

I am a former Muslim and hated Christians and Jews. My family incited hatred against God's people. Islam teaches that we must kill all people of other religions because they are impure. They subjugate anyone who commits the crime of thought or political crime to Sharia laws. Their only option is to become a Muslim. Those who criticize Islam openly are crucified. One of the ways of punishing them is cutting their hands. They stone men and women adulterers. Husbands can beat their wives and women should marry only Muslims. Husbands can divorce and marry wives several times, contrary to the Bible. Men can marry several women, hurting the grace of Jesus. If the woman is raped and she does not have 4 witnesses, she will be stoned to death.

The Islamic Sharia Law promotes torture and death compared to the Bible which is the book of life and love. See the contradictions of these two books. The amputation of the members is an Islamic punishment. For those who murder in the name of Allah is a hero. There are laws for hanging and beating. The softest law is the lashes.

When my family realized that there was a group of Christians hiding in worship with Jesus, we communicated to the authorities. One day a group of Muslims was reported by another family for converting to Christianity. The men arrived with knives, stones and iron bars and they murdered that group of Christians. It is a violent group that tries to rule by making war. The Islamic religion is much more than a sect. They are a unique party connected with the government and, they are a criminal faction. What is the difference between drugs traffickers and the Muslim religion? Both kill people because of their interests.

For my family, God had already promised salvation in Jesus. It all started when my father tried to kill a Christian with a knife. He invaded the man's house. The Christians were on their knees and at no time stopped their prayers.

My father, upon entering that residence, saw the angel who was close to the man. He became frightened and ran away, for the angel pointed the sword in his direction and said, "Do not touch the anointed of God."

My father became a Christian that day and told this story the family. My family believed in my father because I knew he was not the man to tell a lie, but my family wanted to be faithful to Muslim laws.

My mother, with great fear that the family may suffer punishment, said to my father not to convert to Jesus. My father said, "The Word of God says that we should not love parents more than Jesus. I stay with Jesus, and I am going to Australia." My father's testimony had a profound impact on our lives. In Australia, he was another man. The whole family surrendered to Jesus, and they left our country. They wanted the freedom to worship God. I did not travel with them for being a married woman; only I and my husband who also converted to Jesus stayed behind.

My husband's conversion was not easy, he almost killed me with a whip. I was flogged for not wanting to serve Muhammad, until one day Jesus appeared to my husband, He showed the marks of nails in His hands. My husband touched His hands.

Jesus said, "I am not a spirit I have risen, and I am alive, your wife is on the right path, someday your body will be glorified and immortal if you follow Me."

My husband fell on his knees before Jesus who went away leaving him happy. My husband would never stop being a Muslim if something supernatural did not happen that would change his life. After that day, my husband and I joined some Christians.

We began to preach the Gospel and an evangelist commission was formed. This commission began to win many souls. One day we knelt to pray. There were 9 of us including me and my husband. A Muslim group arrived at the meeting place. The three brothers managed to escape. The six brothers were tied and beaten. They were very furious with us and said we deserved death. I saw demons possessing these men. I was picked up along with the group. They took us into captivity. We were hung upside down. We had our feet and hands chained. The evangelist who was praying aloud had his tongue cut off. We were all bleeding from the wounds.

They hit our heads with sharp bridge stones. We were dying upside down. We do not know where they took us. What I can say is that we were in agony of death, passing cold and bleeding. They called us traitors.

My eyes darkened and my mind went out. When I woke up, I was not in my body that hung. Five of these brothers had died. The one who was still alive still his neck cut off and died at that moment. My spirit saw this horrible scene at the time.

Six angels came down from heaven and each took one of them to glory. They had their souls gathered and taken to paradise. That made me very glad to know that all their sufferings had a reward.

The angel led me to the kingdom of heaven, where I saw beautiful buildings of gold that look like castles. It is a wonderful place. There is no description to speak of the immensity of that place. The 5 brothers who were martyred with me entered their homes and their names are written on gold plates. They were called heroes of faith. They were glad to receive rewards in the heavens for their efforts.

The angel and I descended from heaven into captivity.

The Muslims took the 5 bodies and buried them. When a Muslim dragged my body to bury, he took me to a place far from the sight of others. The angel beside me appeared to him and said, "You cannot bury this body. She will not die for I will take her to a house, and they will take care of her wounds." That Muslim was paralyzed without believing that he was seeing an angel. With much fear of the angel, he did not bury my body.

Then an angel took me into another Christian family. But those who were afraid of losing their family and denied Jesus. They did not want to die because of their families and material possessions. These Christians were forced to serve Muhammad.

HELL

The angel took me to a place where the Muslims were at war with the military. And many of these Muslims were killed in the war. And their souls went down to hell. I saw when the earth opened and swallowed their souls inside. I and the angel descended through the hole that opened on the ground.

We reach the mouth of hell that has a door and a lock. The entrance of hell opened with the presence of this angel. We entered and stayed in the mouth of hell. Teeth grew in that place and pierced the souls of those people. Many souls were pierced and chewed by the mouth of hell. And a force pushed the souls down.

The angel and I went down the throat of hell and we reached the esophagus. The torment in the infernal esophagus is terrible. The souls in that place are crushed.

We went to the stomach of hell. The fire there is mixed with acid. The souls of that region had their bodies melted. The larvae of fire have a corrosive effect that spoils the souls that fell in that place. I felt the great temperature of that place. The heat is unbearable and does anything that comes close to melting. The level of sulfur that is concentrated in that region leaves the heat much warmer. I was sweating without stopping and my skin began to dry. I had a great dehydration that made me older.

We went into the gut of hell. In that place are the worst people in the world who have committed the cruelest sins. People who have dismembered their neighbor, committing this terrible sin. A lot of rotten dark mud filled with feces, urine, and rotten animals. That place was the dirtiest I walked and the most stinky. The infernal bacteria devoured the bodies of souls. Worms of 10, 20, and 50 centimeters fed on souls. These worms bit the souls and sucked all the substance until the people were wilted like a passion fruit.

I saw a place in hell that grinds meats because of its high gravity. The souls were beaten and crushed. Those tiny little bits groaned and shifted. Nothing died in that place. Death does not kill what has already died. But the mortal pains remain forever in this place. Death is on the earth reaping those who are alive. Hell is a place of death. There is no life there, death cannot kill them or take their lives because those who live in hell have already had their lives taken away.

The angel and I went to the liver of hell. When we got there, the flames grew and covered us. The fire tried to knock us down, but the light that enveloped the angel protected us. That part of hell has a fierce fire that devours the souls that are there. That place looks like a beast, everything that was there wanted to attack us.

Those things had a life. I saw several eyes in the hell that watched me and the angel. The fire roared like a lion.

WITCHCRAFT

We went to the left lung of hell and contemplated a spiritual line that reached the earth. The angel said, "This is the earth's strong spiritual connection with hell. This connection is through Satanism, witchcraft, and other false religions. All witchcraft done on earth is linked with the lungs of hell." I observed that from this place there flowed a great amount of infernal energy to earth. All this evil force rose to earth and enabled people to practice occultism.

DEMON SPIES

We went to the right eye of hell. There is a place where the earth is watched by demon spies. They can see some churches that give problems and plan to attack them.

TECHNOLOGY

We went to the mind of hell and saw Satan sitting on his throne. This is where the great technological, chemical, and scientific inventions are brought forth to destroy humanity.

MUSLIMS MUHAMMAD

The angel showed me many Muslims in hell. They are there because the Koran made them killers. The Koran sends the swords to the neck of Christians and those who survive will be imprisoned. They persecute and subjugate peoples to their religions. They drive people out of the land to dominate it. They capture women and take them as wives, even if they are married. They decapitate prisoners, rape women, and enslave children. I saw the caliphs in hell.

I saw Muhammad in hell. He is there for writing another Gospel beyond what the Bible teaches. Muhammad is a liar; he invented the Quran that was designed in hell. It was not the angel Gabriel who appeared to him but Satan who deceived him. Muhammad is in hell for being bloodthirsty and participating in the stoning.

I deliver a warning from Jesus to the Muslims, convert to Jesus or you will all end up in hell. Stop believing lies. You say that men who die as martyrs in the name of Allah have the right to have seventy-two virgins in paradise. You commit suicide with bombs on your body and think you are going to paradise. You are going to hell. I have seen many repentant Muslims for committing the suicide bombing. They are in hell right now. Jihad or Holy war won't guarantee you eternal life, only Jesus is life. Heaven is not an Oasis. You have no knowledge of the true God of love. Read:

[John chapter 3 verse 16](#), "For God so loved the world, that He gave His only Son, that whoever believes in Him should not perish but have eternal life.

[Ephesians chapter 2 verse 9](#), Salvation is not a reward for the good things we have done, so none of us can boast about it.

[First John chapter 3 verse 1](#), See how very much our Father loves us, for He calls us his children, and that is what we are! But the people who belong to this world don't recognize that we are God's children because they don't know Him. and [Apocalypse 22](#).

Jesus is not a prophet, He is God. Read:

[First John chapter 5 verse 11 to 21](#), And this is the record, that God hath given to us eternal life, and this life is in His Son. He that hath the Son hath life; and he that hath not the Son of God hath not life. That You May Know These things have I written unto you that believe on the name of the Son of God; that ye may know that ye have eternal life, and that ye may believe on the name of the Son of God. And this is the confidence that we have in Him, that, if we ask any thing according to His will, He heareth us: And if we know that He hear us, whatsoever we ask, we know that we have the petitions that we desired of Him. If any man sees his brother sin a sin which is not unto death, he shall ask, and He shall give him life for them that sin not unto

death. There is a sin unto death: I do not say that he shall pray for it. All unrighteousness is sin: and there is a sin not unto death. We know that whosoever is born of God sinneth not; but he that is begotten of God keepeth himself, and that wicked one toucheth him not. And we know that we are of God, and the whole world lieth in wickedness. And we know that the Son of God is come, and hath given us an understanding, that we may know Him that is true, and we are in Him that is true, even in His Son Jesus Christ. This is the true God, and eternal life. Little children, keep yourselves from idols. Amen.

[Colossians chapter 1 verse 15](#), Who is the image of the invisible God, the firstborn of every creature:

[Colossians chapter 2 verse 9](#), For in Him dwelleth all the fulness of the Godhead bodily.

[Micah chapter 5 verse 2](#), But thou, Bethlehem Ephratah, though thou be little among the thousands of Judah, yet out of thee shall He come forth unto Me that is to be ruler in Israel; whose goings forth have been from of old, from everlasting.

You alone believe in Allah and his prophet Muhammad who is in hell. But in the Father the Son and the Holy Spirit you do not believe. Read:

[Matthew chapter 3 verses 16 to 17](#), And Jesus, when He was baptized, went up straightway out of the water: and, lo, the heavens were opened unto Him, and He saw the Spirit of God descending like a dove, and lighting upon Him: And lo a voice from heaven, saying, this is My beloved Son, in whom I am well pleased.

[John chapter 14 verses 16 to 17](#), And I will pray the Father, and He shall give you another Comforter, that He may abide with you for ever; Even the Spirit of truth; whom the world cannot receive, because it seeth him not, neither knoweth him: but ye know Him; for He dwelleth with you and shall be in you.

[Matthew chapter 21 verse 19](#), And when he saw a fig tree in the way, He came to it, and found nothing thereon, but leaves only, and said unto it, let no fruit grow on thee henceforward for ever. And presently the fig tree withered away.

[John chapter 15 verse 16](#), Ye have not chosen Me, but I have chosen you, and ordained you, that ye should go and bring forth fruit, and that your fruit should remain: that whatsoever ye shall ask of the Father in My name, He may give it you.

[Second Corinthians chapter 13 verse 14](#) The grace of the Lord Jesus Christ, and the love of God, and the communion of the Holy Ghost, be with you all. Amen.

and [Ephesians chapter 2 verse 18](#), For through Him we both have access by one Spirit unto the Father.

The angel brought me down.

I was in the house of the Muslim. They wanted to bury my body. I stayed a day dead and I returned to that Muslim who was ordered by the angel to take care of me. This man became a Christian and together with his wife took care of my sufferings.

I preached the Gospel to a Muslim girl. She was converted and fled from home so that her parents did not find out and apply a punishment to her.

I recovered in the house of the Muslim who took care of me and traveled to where my family was. My husband did not come back and went forever to be in glory with the other brothers who died with him. God allowed their bodies to be buried, but mine did not. I was the witness of heaven on earth to report the work of redemption to the Muslim people.

Jesus offers much more than the Muslim religion offers. Jesus has eternal life for their souls and resurrects their bodies that will one day die. Immortality will be your victory, just surrender your life to Jesus. Instead of the hatred you feel for people, the love of Jesus will invade your heart. Do not kill, help people, and tell them about Jesus. You will have your rewards.

I love you all; stay in God's peace, Amen.
