

God's word cannot be counterfeited. They are then false books, not the Word of God.

Anyone who does that - whoever converts, does not have God.

He is immediately judged because he did not believe.

<https://bibeltext.com/john/3-18.htm>

This is how all the false doctrines and religions that claim to be the Word of God came about in the world preach, but they are heresies.

The heresies of the world sects, who seek to establish their own justice, think they be especially chosen.

Others and the unbelieving world lives according to the traditions of the fathers and forefathers in traditions and thereby invalidate the Word of God.

So when in church the congregation comes together on pagan occasion and Easter celebrates or Christmas, they mix the Gospel with pagan and devilish special teachings and so they have no blessing to expect as if they would not do it.

That creates problems. God's Word is out of power and the problems in the churches are getting worse, getting bigger.

One should stay away from such communities. Otherwise, you too will be found to be unfaithful witness and whoever does that betrays Jesus to the world.

The effects are dramatic. For who will entrust the true good to the one when he is not at all faithful.

They do not respond to admonition because the ego obscures the view of the truth.

The causes of a lack of preparation are then seen in the outside world, the causes of a lack of personal growth not recognized, faith gradually becomes Sunday religion, and the Initial love to Jesus Christ is gone.

The church is becoming more and more of a special group, a sect that seals itself off from the "evil world" and still advocates a special elite faith one holds.

The relationship with Christ becomes inhibited and superficial. The believer lives like the world.

Barely Blessings, hardly any strength, hardly any faith, faith is soon dead and the believer disappointed in Jesus and turns away, the apostasy is prepared.

And that because of ego, because of adjustment to the world, because of a lack of will to turn back.

In such times, it's better to be in small groups, even if it's just two. Since the devil himself don't sneak in if you don't make the mistakes of others.

The organization should not be from top to bottom, i.e., pyramidal Babylonian, but be horizontal, to put it that way, whoever wants to understand it.

The false teachings then close the way to the truth for the seeker.

Matthew 23:13 But woe to you, scribes and Pharisees, you hypocrites! the sky closes before the people! You don't go in yourselves, and let those who want in let them you not in.

God's Word cannot be adulterated, it can only be in the wrong hands, not even that because that one is already judged.

Those who read the Bible but are not converted when Jesus calls people to repent, their Bible finally ends up in the closet. There are millions of them.

Who, however, based on the Bible tries to set up its own righteousness, it has already been judged, the Bible remains closed to him.

Man cannot manipulate or deceive God or cheat or what man also tries to tamper with creation in order to escape the judgment of sin in man`s never-ending folly.

Manipulation of God's Word: The Lord is not tempted and does not tempt any man. Basically, man only shows his own wickedness and has every reason to believe the Holy Scriptures and to repent.

It is proved that God's word is true, and God is holy and righteous and that God's word either redeems or judges man.

Mt 24, 35 heaven and earth will pass away, but my words will not pass away.
